Hi Jacob,

Teleconference meetings need to be held at a physical location, which must be identified in the agenda. See the Brown Act at section 54953(b). Please advise soonest. Also, what time is the meeting? The agenda says 4:30 and your email says 10.

Thanks for your help,

Hi [REDACTED]

This is the first email I have received I. Regards to this meeting. It is a conference call, not an in person meeting, as indicated in the agenda.

Best,
Jacob

Hi Jeff,

if you're still representing the EHBID, can you please figure out for me what the location of this meeting is and at what time the meeting will be held? If you're not still representing them, of course, please ignore this.

It's not clear from the material sent when and where the meeting is and Jacob isn't responding. I imagine that if it's meant to be at 10 a.m. on Friday you'll want to have this sorted out by tomorrow at 10 a.m.

Thanks for your help,
